Rutherford! Downtown shops and restaurants can't be beat and the super-convenient commute to Manhattan is a dream. 1 Courrier Place is a great home in this terrific community. The house is a little unique - and very special. Nicely maintained with hardwood floors throughout, central air, sliders from the eating area to the deck, a HUGE walk-in closet (or nursery space) in the first floor primary bedroom and a full-unfinished basement just begging to become a gym, recreation room or in-home theater. And yes, you can move right in today and throw a party tonight!
